# WORLD ACADEMY OF SCIENCE, ENGINEERING AND TECHNOLOGY

ICNB 2017 : 19th International Conference on Nanopharmaceuticals and Bioremediation

**ICNB 2017**

**December 11-12 2017, Rome, Italy**

**Conference Information and Registration**  
<http://waset.org/conferences/2017/12/Rome/ICNB>

## CALL FOR PAPERS

The ICNB 2017 : 19th International Conference on Nanopharmaceuticals and Bioremediation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Nanopharmaceuticals and Bioremediation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Nanopharmaceuticals  
Recent advances in nanopharmaceuticals  
Drug targeting  
Challenges and advances in nanopharmaceuticals  
Future aspects of nanopharmaceuticals  
Nanoparticulate systems for oral drug delivery to the colon  
Multifunctional magnetic nanoparticles for orthopedic and biofilm infections  
Poly(propyleneimine) dendrimers as potential siRNA delivery nanocarrier: from structure to function

The role of nanotechnology in diabetes treatment: current and future perspectives  
Nanobiotechnology approaches for targeted delivery of pharmaceuticals and cosmetics ingredients  
Nanocarrier systems in drug delivery  
Application of nanoparticles and nanocarrier systems in pharmaceuticals and nanomedicine  
Enhanced tumour-imaging efficacy of 5-aminolevulinic acid complexed with iron oxide nanoparticles
