

CALL FOR PAPERS

ICMPBE 2015
Jul 29-30, 2015
Zurich, Switzerland

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMPBE 2015 : 17th International Conference on Medical Physics and Biomedical Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Medical Physics and Biomedical Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Biomaterials, Cellular
Biomedical Engineering
Cardiology and
Diagnostic and
Diagnostic Imaging
Image Processing,
Information and
Micro- and Nanosystems in

Neuroengineering, Neural
Neurology, Neurosurgery
Oncology
Radiation Oncology
Radiation Protection and
Radiology and Nuclear
Surgery and Intervention
Surgery, Minimal Invasive
