

# CALL FOR PAPERS

**ICAHA 2017**  
**Jun 28-29, 2017**  
**London, United Kingdom**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAHA 2017 : International Conference on Audiology and Hearing Aids is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Audiology and Hearing Aids. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Audiology: Medicine and  
Instrumentation  
Auditory Disorders  
Diagnostics in Audiology  
Hearing: Biology and Physiology  
Pediatric Audiology

Hearing Loss and Prevention  
Auditory Rehabilitation  
Auditory Neurophysiology  
Hearing Aids and Treatment  
Technology  
Implantable Technologies and  
Advancement in Treatment
