

CALL FOR PAPERS

ICPHDE 2018
Mar 15-16, 2018
Paris, France

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPHDE 2018 : 20th International Conference on Pharmacy and Drug Effect is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Pharmacy and Drug Effect. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Pharmacology
Pharmacy
Medicine and biology
Drug action
Pharmaceutical drug
Drug classes or groups
Chemical structures
Stimulants and sedatives
Agonists and antagonists
The specificity of drugs
Potency
Affinity
Nervous system
Placebo effect
Toxicology
Drug effect
Chemical biology
Antipathogenic
Pharmacodynamics and

Biomedical science
Research, discovery, and
Direct-patient care
Pharmacy practice
Science-oriented
Personalized medicine
Clinical pharmacology
Neuropharmacology
Psychopharmacology
Biochemical and
Endogenous and exogenous
Normal or abnormal
Medicinal properties
Drug composition and
Synthesis and drug
Molecular and cellular
Organ/systems mechanisms
Signal
Molecular diagnostics
