

CALL FOR PAPERS

ICLMTT 2018
May 03-04, 2018
Singapore, SG

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICLMTT 2018 : 20th International Conference on Ladle Metallurgy and Testing Techniques is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Ladle Metallurgy and Testing Techniques. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Ladle metallurgy
Casting ladle
Transfer ladle
Treatment ladle
Injection technology
Thermodynamics
Fluid flow and mixing in
Convective mass transfer

Model experiments on mass
Injection practice in
Powder injection
Testing techniques
Testing technique for
Online analysis of
Integrated ladle
Economic considerations
