

CALL FOR PAPERS

ICWPTTD 2018
Aug 09-10, 2018
Vancouver, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

The ICWPTTD 2018 : 20th International Conference on Wireless Power Transfer Technologies and Devices is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Resource Conservation and Restoration Ecology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Wireless power transfer
Wireless power transfer
Wireless power transfer
Power control methods
Wireless energy transfer
Inductive coupling and
Modelling the wireless
Wireless communication
Application models and
Near-field power
Power management and

Microwave transmission
Power transmitters and
High-frequency power
High-frequency rectifying
Integrated circuits and
Applications of wireless
Mobile and personal
Home/industrial-appliance
Electric vehicles
Wireless power transfer
