

CALL FOR PAPERS

ICAQSP 2019
Jan 17-18, 2019
Bangkok, Thailand

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAQSP 2019 : 21th International Conference on Applied Quantum and Statistical Physics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Applied Quantum and Statistical Physics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Applied Quantum and
General aspects of
Mathematical aspects:
Nonequilibrium processes:
Quantum systems: strongly
Fluids and soft matter:

Surfaces and Interfacial
Non-linear phenomena:
Disordered and glassy
Biological physics:
Statistical modeling of
Interdisciplinary topics
