

CALL FOR PAPERS

ICVRCSCCE 2019
Nov 07-08, 2019
Istanbul, Turkey

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICVRCSCCE 2019 : International Conference on Virtual Reality for Civil, Structural and Construction Engineering is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Virtual Reality for Civil, Structural and Construction Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Virtual Reality Models in Civil
Engineering Education and Training
Virtual Reality in the Construction
Industry
Virtual Reality in Architectural
and Landscape Design
Construction Worker Virtual Reality
Training

Plan Reviews with Virtual Reality
Technologies
Augmented Reality Construction
Worker Assistant
Applications of Virtual Reality to
Civil and Architectural Engineering
Projects
