

CALL FOR PAPERS

ICINS 2019
Dec 30-31, 2019
Paris, France

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICINS 2019 : International Conference on Industrial Network Security is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Industrial Network Security. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Industrial Network Security
Industrial Networks
Industrial Networks and Critical
Infrastructure
Industrial Network Protocols

Vulnerability and Risk Assessment
Exception, Anomaly, and Threat
Detection
Monitoring Enclaves
Standards and Regulations
