

CALL FOR PAPERS

ICCLCL 2019
Dec 02-03, 2019
Sydney, Australia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCLCL 2019 : International Conference on Cultural Linguistics, Culture and Language is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Cultural Linguistics, Culture and Language. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Cultural linguistics
Cultural conceptualizations and the structure of language
Language and cultural categorization
Linguistic relativity and determinism
Language and thought
Language, culture, and embodiment
Language and cultural conceptualizations of emotions

Cultural conceptualizations and pragmatic meaning
Cultural conceptualizations and (im)polite language use
Applied cultural linguistics
English language teaching
World Englishes
Intercultural communication
Political discourse analysis
