

CALL FOR PAPERS

ICHCLMEDR 2020
Feb 06-07, 2020
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHCLMEDR 2020 : International Conference on Health Care Law, Medical Ethics and Disability Rights is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Health Care Law, Medical Ethics and Disability Rights. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Health care law
Health care law and human rights
Patient protection
Rights of individuals with disabilities
Medical and social approaches to disability

Health disparities and social justice
Accessibility of health care
Interplay between law, medical ethics, disability rights
Mental health law
Problems in health care law
