

# CALL FOR PAPERS

ICPPE 2024 Sep 25-26, 2024, London, United Kingdom

The ICPPE 2024 : 26th International Conference on Resource Conservation and Restoration Ecology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Resource Conservation and Restoration Ecology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Petroleum and Petrochemical Engineering	On-Site Power
Building Pricing Mechanism and Requisite Infrastructure	Petrochemicals
Ecology and environmental technologies	Plant Performance Issues
Energy Infrastructure	Production Chemistry
Environmental Issues	Providing energy security
Expanding Oil & Gas Exploration and Production Operations	Regulatory Aspects for Sustainable Alternative Energy Systems
Fossil Technologies	Renewable Energy
Geomechanics and Rock Physics	Reservoir Description
Hydrates	Reservoir Fluids
Hydrocarbon Recovery Mechanisms	Reservoir Geophysics
Identifying and Facilitating Various Renewable Energy Projects	Solar Energy Product Manufacturers
Industry Trends/Competitive Power Generation	Strategies for Oil & Gas Sector to Raise Capital
International transportation projects	Study on Biomass Energy and Feasibility
Leveraging Regional Energy Resources through Energy Trade	The outlook for exploration & production
Mitigating the Environmental Impact of Energy Use	Uncertainty Quantification
Oil and Gas diversification	Understanding of the Opportunities and Risks for Closer Energy Collaboration

**Background:** International Research Conference Series is an event that brings together significant number of recurring events; academic conferences, symposia, workshops, special sessions, and plenary talks in all research fields since inception in 1999. Each event may run over any span of time within the conference days. Presentations scheduled in the Oral and ePoster sessions are drawn from a selection of the peer reviewed papers from a wide range of scientific and other disciplines of inquiry.
