

# CALL FOR PAPERS

**ICAEMM 2017**  
**Sep 28-29, 2017**  
**Istanbul, Turkey**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

The ICAEMM 2017 : 19th International Conference on Applied Electromagnetics, Electrical Machines and Mechatronics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Resource Conservation and Restoration Ecology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

1D and 2D measurements  
Applications of  
Applied Electromagnetics  
Basic problems,  
Computational  
Electromagnetic Fields in  
High frequency

Magnetic metrology and  
Measurements in industry  
Measurements of permanent  
Non-destructive magnetic  
Physics and mechanics of  
Transformers, motors,
