

# CALL FOR PAPERS

**ICAOSA 2017**  
**Sep 18-19, 2017**  
**Rome, Italy**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

The ICAOSA 2017 : 19th International Conference on Aspect-Oriented Software Architectures is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Resource Conservation and Restoration Ecology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Aspect-oriented software  
Aspect-oriented software  
System development  
System maintenance and  
Aspect-oriented  
Aspect oriented business  
Aspect-oriented system  
Aspect-oriented modeling  
Aspect-oriented  
Formal method support for

Aspect-oriented
