E-Discovery	Sector
Password Recovery	Financial Transaction Fraud
	Solutions
Medical Forensics	Credit Card Fraud
Forensic DNA Analysis	Fraud in Telecommunication Sector
Forensic Anthropology	

Background: International Research Conference Series is an event that brings together significant number of recurring events; academic conferences, symposia, workshops, special sessions, and plenary talks in all research fields since inception in 1999. Each event may run over any span of time within the conference days. Presentations scheduled in the Oral and ePoster sessions are drawn from a selection of the peer reviewed papers from a wide range of scientific and other disciplines of inquiry.
