

# CALL FOR PAPERS

**ICDFJS 2018**  
**Sep 10-11, 2018**  
**Tokyo, Japan**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDFJS 2018 : 20th International Conference on Digital Forensics and Justice System is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Digital Forensics and Justice System. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Admissibility, expression  
The nature and purpose of  
The scope and reliability  
Foundations and  
The role and influence of  
The requirements and  
Problems and developments  
Expression of forensic  
Processes for ensuring  
Recent and future  
Processes for ensuring  
Law, Legal, Forensic  
Evaluating evidence of  
Epidemiological evidence

Education of methods for  
Communication between  
Legal versus scientific  
Quantifying evidential  
DNA mixture  
Interpretation at  
Combining evidence  
Statistical and logical  
Deciding under  
Statistics as evidence  
DNA profiling,  
Law enforcement and the  
Interdisciplinary
