

# CALL FOR PAPERS

**ICPTSDPI 2018**  
**Nov 15-16, 2018**  
**Kyoto, Japan**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

The ICPTSDPI 2018 : 20th International Conference on Post-Traumatic Stress Disorder and Psychological Interventions is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Resource Conservation and Restoration Ecology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:
