

CALL FOR PAPERS

ICFWR 2019
Feb 21-22, 2019
Paris, France

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFWR 2019 : International Conference on Fish and Wildlife Resources is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Fish and Wildlife Resources. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Fish and Wildlife Resources
