

# CALL FOR PAPERS

**ICOT 2019**  
**Apr 24-25, 2019**  
**Kyoto, Japan**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

The ICOT 2019 : 21th International Conference on Orthopedics and Traumatology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Resource Conservation and Restoration Ecology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Orthopedics and  
Arthroplasty  
Biomaterials
