

CALL FOR PAPERS

ICGCA 2019
Apr 16-17, 2019
Lisbon, Portugal

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICGCA 2019 : International Conference on Gastronomy and Culinary Arts is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Gastronomy and Culinary Arts. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Gastronomy

Techniques, technologies and science-based culinary tools
