

CALL FOR PAPERS

ICKM 2019
Jun 25-26, 2019
Paris, France

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICKM 2019 : 21th International Conference on Knowledge Management is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Knowledge Management. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world.
