

CALL FOR PAPERS

ICSLL 2019
Aug 05-06, 2019
Montreal, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSLL 2019 : International Conference on Sign Language and Linguistics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Sign Language and Linguistics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Sign language
