

# CALL FOR PAPERS

**ICAC 2019**  
**Nov 18-19, 2019**  
**Singapore, SG**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAC 2019 : International Conference on Animal Care is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Animal Care. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:
